

Career Gate Test K.17 One of the top career tests

The Career Gate Test is the most modern and comprehensive career test to help you choose your future career.

This test helps you to choose a career from the most popular careers of the future, whilst also considering your own special aptitudes.

Adapted by specialists for the conditions of Greece and Cyprus.

You need to spend only 30 minutes of your time to enable yourself to plan ahead for the most important part of your future.

This test has been devised by a specialist group from the London School of Economics and the University of Piraeus.

It has been adopted by state governments after public international competitions.

This test is administered in Cyprus by Global Education Services
